ANOTHER SUMMER MINI NEWSLETTER

August Meeting

The next meeting will be Saturday August 1, 1:00 p.m. at Siouxland Woodworkers Guild, 1108 W Blackhawk in Sioux Falls. This is in the old original industrial park on the north side of Russell St. Take Industrial Ave northwest from the Triple A building on the north side of Russell St to the intersection of Blackhawk St and Industrial Ave.

July Meeting Report

We made the trip to FBT Sawmill near Steen MN for another wonderful tour and demonstration of the mill. We saw new drying kilns and a new mill capable of slabbing off VERY large diameter logs.

No July meeting minutes since there was no business meeting.

September Meeting

Look for a full sized newsletter before the September meeting. The date has not been set up officially but probably the second Saturday, September 12, since the first Saturday of the month falls within the Labor Day Weekend. Full details in the next newsletter.

If you have been attacking the hot summer months in the shop don't forget to bring your show-and-tell items.
